

## RECYCLING NEWS

The township has contracted with Major Waste to handle our recycling pick up. The large rolloff containers will be exchanged every Monday and Friday. This change will not only better serve our community, but save the township money as well. If you have any questions please feel free to contact the Leroy Road Dept. 440-254-4234.

## Don't Be a Litterbug!

Why do people litter? It's an old dilemma. Maybe it's because they see someone else's garbage on the ground and think, "everybody is doing it, so I can do it too." Or maybe they just think somebody else will take care of it. When recycling bins are full or not available, any items left on the ground become garbage. Leroy Township cannot hold on to recycling items or let garbage lay on the ground. Recycling companies do not pick up items off the ground. Garbage cannot be recycled. Leroy Township recycling bins are not for personal garbage disposal. Please help us keep the recycling area clean and free from garbage waste on the ground and in the recycling bins.

### Items that can be recycled into the large roll off container:

**Cleaned glass containers, and #1 and #2 plastics containers only, aluminum cans (washed) cardboard must be cut up into small pieces that fit through the small doors.**

### Items that cannot be recycled:

The bins and surrounding area are not for trees, shrubs, TV's, computer boxes, Styrofoam anything, washer and dryers or a bumper from a Dodge van. Leroy Township will be installing a video camera capable of enhancement. Those people who are depositing items OTHER than the above items that are recyclable and/or leaving their items on the ground whether recyclable or not will be viewed and the recorded video will be given to the Lake County Prosecutor.

## KUDOS TO THE COMMUNITY!!

We collected approximately 1,500 pounds of aluminum cans for burned children and gave this non-profit organization \$750.00 for projects for severely burned children. The ACBC thanks us all! This is SEPARATE from the recycling.

## ABITIBI PAPER RETRIEVER

In 2008 we collected 13.86 tons of newspapers and magazines!!! **Great job!**

## Appliance Pick-Up

### FOR RECYCLING DATE

Please call 440-254-4234 between May 4-8, to reserve a spot for metal appliance pick-up. Leave your name, address, phone number and the items you wish to have picked up.

## LeRoy Zoning

LeRoy Township has made many changes in the past few years, and one of the ways it has done so, is through its zoning. Larger lot sizes, Natural Resource Conservation, Junk car resolutions are all in conjunction with the Comprehensive Plan Survey of 2002 to make LeRoy a better place to call home. LeRoy's Zoning Commission meetings are held at 7:00 pm the second Monday of each month at the Township Hall and are open to the public, where you can see where our future is headed.
