He talked with Dennis Keeney, the land owner at the far side of Hell Hollow hill, being the first private driveway at the top of the hill. Charlie talked with Mr. Keeney concerning an easement in order to keep both sides of the road ditch cleaned. Vacating this part of the road will release the township as well as Mr. Keeney from any liability.

OLD BUSINESS: Charlie Klco made a motion to update and remind everyone that Leroy Township has a "no parking ban", on township roads. Rich VanPelt 2nd the motion Poll of the vote: Shelton, aye, VanPelt, aye, Klco, aye.

A complaint has been received of the home owner of the old Hiller house on Taylor Rd., is parking his "big rig" on the road in front of his home at night. This is a dangerous situation for approaching cars. Also during the winter, when the plow trucks are trying to plow the road. Charlie will take a copy of our existing resolution and give it to the Sheriff's office, who will send a deputy out to inform them. Rich our road supervisor has been there, but no one is ever home during the day.

NEW BUSINESS: Heather stated she has received a complaint concerning barking dogs on Paine Rd., near Shirley Drive. The township only has a noise ordinance, from 11 p.m., to 7 a.m., which is there so that the sheriff's office can enforce it. During the day we have no control over this. This is not a job or the dog warden either. Perhaps the neighbor should approach the owners of the barking dogs again.

Walley Siegel has retired as Perry Township's administrator. Karen Sundri will be taking his place.

Heather made a motion to hire Ornelas Heating and Cooling to install a new 1.5 ton air conditioner at the townhall, in the amount of \$2,450.00.
