#### Cemeteries—Rules & Regulations

Notification of Monday interment must be given by noon, previous Friday.

No monument or marker of any kind can be erected on any lot or grave before said lot or grave is paid in full.

Transfer of lot ownership is not permitted except by consent of the LeRoy Twp. Trustees. Parties desiring to dispose of their lots may do so by transferring them to the LeRoy Twp. Trustees for the price they paid for them

Transfer of lots from one area to another area is permissible. The current fee per lot will be charged. The original deed must be given to the LeRoy Twp. Sexton. Credit will be given for the original purchase price and deducted from the current fee.

No LeRoy Twp. resident may buy graves at Township rates to bury non-residents of LeRoy Township.

As a husband is not always an heir-in-law of his wife, nor wife of her husband, neither will necessarily inherit the lot from the other. To ensure the survivor an interest in the lot, both names should be embraced in the deed. If the proprietor expires interstate, the lot will descent to his or her heirs jointly and in equal undivided shares, subject to the same conditions. The statutes of Ohio in force will

### **Rules & Regulations (cont.)**

determine who the heirs are at the time of death.

On the

decease of any owner or part owner of a lot in the cemetery, the heir or devises of such decedent are required to file with the cemetery sexton, full proof of their ownership or proprietorship, for the purpose of being recorded in the books of the cemetery. Without such proof and record, the right of ownership or burial of such person cannot be recognized by the sexton of the cemetery. Inheritance of any empty lots should be included in the owners' will.

The Courts have held that a deed to a cemetery lot represents personal property, not real estate, and that a widow has no dower right therein, but her right of burial in the lot may not be denied.

The ownership of a deed to a lot does not confer any right to do planting nor erect a monument, mausoleum, vase, etc., upon said lot without the express, written approval of the sexton.

The owner of a lot may, during his/her lifetime, designate in writing to the cemetery sexton the names of those members of his/her family (or near relatives) whom he/ she wishes to have interred upon his/her lot. Such writing will then be filed with the deed, and the cemetery sexton will see that none but those designated are interred therein.

As the deed to a lot conveys only right of burial therein, the Township retains control and supervision of all lots that have been sold; and it shall be the duty of the township to enter upon any lot and prohibit, modify, or remove any structure, object, improvement, or adornment on such lot that may have been placed thereon in violation of the rules, or that may be considered objectionable or injurious to the lot or adjoining lots, or the general appearance of the cemetery.

No pets are permitted within cemetery property.

Recreational activities such as baseball, golf, jogging or picnicking are not permitted on cemetery grounds.

The placement of any signs or notices or soliciting the sale of any item is not permitted.

No loud music.

#### Rules & Regulations (cont.)

No recreational vehicles are permitted on cemetery grounds.

Permanent type vault/box required for all burials.

No interments will be accepted for Sundays, holidays, or after 2 pm on Saturdays. Planting in Cemeteries under approval of Sexton only.

Placement of markers and monuments are under the direct supervision of the Sexton.

Any marker or monument placed without approval shall be removed and owner notified.

Cemetery monuments and markers must meet the size restrictions.

Anyone found in a cemetery after dusk may be considered trespassing and face the possibility of being fined as such.

Any items of obstruction that protrude from the ground that hinder cemetery maintenance or public safety such as, but not limited to, flag holders, light holders, etc are not permitted at all LeRoy Cemeteries. All small items must be secured on base of stone, not on the ground, from March 15 to December 1. No benches or statues are permitted at the foot of the grave. Permission to place a bench at the foot of grave may be granted from the sexton if the owner purchases the adjoining lot (if it's available for sale) or if the adjoining lot is already owned by the person making the request.

No more than one Slant Face, Hickey or Monument Marker per grave is permitted.

All markers (except Veteran) to be granite. Other materials may be considered with approval of the Sexton.

The purchaser of a gravesite(s) will be issued a cemetery deed. This deed conveys burial rights only and the title remains with LeRoy Township.

Cemetery gravesites can be purchased through Leroy Township. Contact Township (cell). Sharon E. Rodgers, Cemetery Sexton 440-479-0759
