January 1, 2021

Dear Friends:

"It Takes A Village to Raise Children!" This is our Foster Care and Adoption recruitment theme for 2021 and we need your help! This theme is more relevant now than ever before given the global pandemic facing our communities. Lake County needs more homes to help keep children safe. The agency has scheduled Pre-Service classes regarding foster care and adoption throughout 2021 and these dates and times are on flyers attached to this letter. Per-Service classes can also be completed virtually now too!

Lake County needs foster homes for all ages of children! We would love to hear from you and help you meet your goal of helping children!

We are asking you as our community friends to help us spread the word about this need. If you are willing to support our agency in this endeavor, please post copies of the attached flyers in the common areas of your agency so customers and employees alike can see this information and contact us with further inquiries. Keeping children in Lake County decreases a child's time in care and increases their likelihood of reunifying with their parents as well as furthering a sense of normalcy for these children.

Thank you for your support in helping us get the word out about fostering/adopting children! If you have any questions regarding this, you can reach me at 440-350-4260 or Eugene.Tetrick@jfs.ohio.gov. Also, you can call our Foster Care and Adoption Hotline at 440-350-4218 and they will be able to assist you with questions as well. Thank you.

Sincerely,
