New Business:

We have received a recruitment and retention grant from the state. This will give our staff that worked and are still working with us a bonus. Lt. Hayes took this project on and did a fantastic job and I want to thank him for that.

2413 is now out of service due to a cracked frame and transmission issue. Our new engine has been pushed back to March or April of 2024. I have approved the graphics, and a picture is attached.

Old Business:

The new hose tower roof is up, and it looks great.

Our First Arriving dashboard has been completed and is installed. We have some small bugs to work out, but they are working as they should.

New Security cameras have been quoted and we are still waiting for them to be installed.
