Summer Fun

School is out, summer is here! Now, what to do? There are a lot of fun places and activities in our own Lake County. From beaches, to parks, river fishing, summer concerts, festivals, events, summer camps, and summer reading; there is always something to do! The next several months, our newsletter will focus on summer enjoyment, activities, events and fun!

How to Keep Your Family Safe with Fireworks

Keep Your Distance. Make sure everyone is positioned far back from where fireworks are being lit.

Don't Investigate. If a device does not go off, do not stand over it. Instead, have a bucket of water nearby to make sure it's out.

Be Prepared for Problems. Keep a fire extinguisher nearby and make sure you know how to operate it properly.

Dispose Safely. When you're finished with the fireworks, douse the remains with a bucket of water before disposing of them to avoid a trash fire.

Sun Safety

- ◆ Prevent sunburn and sun damage by dressing your family in cotton clothing with a tight weave, sunglasses and hat with brim or bill.
- ◆ Stay in the shade when possible.
- ◆ Use sunscreen with an SPF of 15 or greater, even on cloudy days, and reapply every two hours and after sweating or swimming.
