

The Leroy Township Board of Trustees is requesting quotes for masonry repair services for three township-owned buildings including the Concession Stand, the Fire Department, and the Township Hall. The scope of work includes chiseling and tuckpointing as needed to address deteriorated mortar joints and any related masonry issues.

We are seeking a qualified contractor to:

- Inspect each building and identify areas requiring repair
- Perform chiseling to remove damaged or failing mortar
- Complete tuckpointing to restore structural integrity and appearance
- Use materials and methods appropriate for the existing masonry
- Ensure all work is performed in a safe and professional manner

Please include in your quote:

- A detailed breakdown of costs (labor, materials, etc.)
- Estimated timeline for completion
- Any assumptions or exclusions
- Proof of insurance and relevant experience with similar projects

Quotes may be sent to:

Lburhenne@leroyohio.com

Leroy Township Fiscal Office
13028 Leroy Center Rd.
Painesville, Oh 44077

If needed, we can arrange a site visit to review the buildings prior to finalizing your estimate. Quotes should be received by June 9, 2026 with a contractor selected on June 16, 2026. Work to be completed by Sept. 1, 2026. Please feel free to contact Linda Burhenne at 440-254-4601 Ext 318 or lburhenne@leroyohio.com with any questions or to schedule a walkthrough.

The Township reserves the right to accept or reject any or all quotes.

Thank you for your interest in providing services to our community,
